CHESTER NEW HAMPSHIRE ANNUAL REPORTS

ANGELO LAGANA
1952 - 1991

FOR THE FISCAL YEAR ENDING JUNE 30, 1990

Cover picture “thanks” to Tim Ouellette, Derry News.

Dedication

This Town Report is gratefully and sincerely dedicated with “thanks” to those who have willingly given of themselves for the betterment of Chester.

Special acknowledgements to the men and women from Chester who served in Operation Desert Shield/Storm;

Angelo Lagana for his dedication — he is missed;

Bette Benton and Eddie Evans for their years of service;
and all those volunteers who work so unselfishly for Chester.

Thanks to all!

TOWN WARRANT

TOWN BUDGET

Town Warrant

State of New Hampshire

The polls will be open from 10:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of Chester, NH in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Stevens Memorial Hall in said Chester on Tuesday the fourteenth of may next, at 10:00 in the forenoon to act on Article #1. The polls will close at 7:00 p.m. After ballots are counted, the meeting is adjourned until Wednesday, May 15, 1991 at 7:00 p.m. in the Multi-Purpose Room of the Chester Elementary School. Articles #2 through #26 will be taken up at that time.

Article #1. To choose all necessary Town Officials for the ensuing year.

Article #2. To hear the reports of Agents, Auditors, and Committees of Officers heretofore chosen and pass any vote relating thereto.

Article #3. To see if the Town will vote to raise and appropriate the sum of \$203,917 as may be necessary to defray Town Charges (TC) for the ensuing year. (See TC Budget Figures)

Article #4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and to raise and appropriate the sum of \$5,000 for Tax-Anticipation Notes.

Article #5. To see if the Town will vote to raise and appropriate the sum of \$25,690 for the maintenance of Town Buildings and Properties: \$24,190 for Stevens Memorial Hall and \$1,500 for the Post Office.

Article #6. To see if the town will vote to raise and appropriate the sum of \$7,000 for Building Maintenance for the purpose of painting the exterior of the Post Office and re-roofing the Town Shed.

Article #7. To see if the Town will vote to discontinue the Insurance Claims Fund established by the 1987 Town Meeting. The funds, with accumulated interest to the date of withdrawal, shall be transferred to the General Fund.

Article #8. To see if the Town will vote to raise and appropriate the sum of \$130,030 to defray the expenses of the Highway

Department: \$71,500 for Summer, \$54,050 for Winter, and \$4,480 for General Expenses.

Article #9. (By Petition) To see if the Town will vote to accept as a Class V Highway Twin Fawn Run from Chester Rod and Gun Club Road to termination at cul-de-sac, (as shown on a certain subdivision plan entitled "Rivendell Estates East" recorded in the Rockingham County Registry of Deeds as Plan No. D-20651).

Article #10. (by Petition) To see if the Town will vote to accept as a Class V Highway Holman Way from Jennifer Drive to Parker Road; Parker Road from Holman Way to Rand Drive; Rand Drive from Parker Road to Parker Road (as shown on a certain subdivision plan entitled "Subdivision of Land, Heritage Corners in Chester, New Hampshire" by S.E. Cummings Associates, Inc. dated November 10, 1987, and recorded in the Rockingham County Registry of Deeds as Plan D-18387).

Article #11. (By Petition) To see if the Town will vote to accept as a Class V Highway Quail Hill Road from Pheasant Run Drive to Meadow Fox Lane; Meadow Fox Lane from Pheasant Run Drive to Quail Hill Road; and Pheasant Run Drive from Fremont Road to Quail Hill Road (as shown on a certain subdivision plan entitled "Subdivision of Land, Chester Hill Estates in Chester, New Hampshire" by Seacoast Engineering Associates, Inc. dated July 15, 1987, and recorded in the Rockingham County Registry of Deeds as Plan No D-18755.

Article #12 (By Petition) To see if the Town will vote to accept as a Class V Highway Cardinal Drive from Wason Road (as shown on a certain subdivision plan entitled "William H. Smith, Jr.", recorded in the Rockingham County Registry of Deeds as Plan No D-19401).

Article #13. To see if the Town will vote to raise and appropriate the sum of \$20,000 to defray the expenses of reconstruction of Candia Road at 242 Candia Road.

Article #14. To see if the Town will vote to raise and appropriate the sum of \$12,920 to defray the expenses of the Land Use Boards, \$11,000 for the Planning Board and the Zoning Board of Adjustment, \$275 for the Conservation Commission, \$100 to defray the expenses of the Mossman Committee, and \$1,545 for dues to Southern New Hampshire Planning Commission.

Article #15. To see if the Town will vote to raise and appropriate the sum of \$180,587 for Public Safety which

includes \$119,082 for the Police Department, \$5,000 for Police Department addition, \$2,550 for the Crossing Guard Program, \$29,750 for the Fire Department, \$2,500 for the Forest Fires and Fire Trails, \$2,000 for Prolonged Fire Department Emergencies, \$2,000 for Civil Defense, and \$17,705 for the Building Inspector.

Article #16. To see if the Town will vote to raise and appropriate the sum of \$21,000 for the addition to the following Capital Reserve Fund: \$6,000 for the Police Cruiser Capital Reserve Fund and \$15,000 for the Fire Truck Capital Reserve Fund..

Article #17. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purposes of reconstruction of Bridge #147/100 on Fremont Road and to raise and appropriate the sum of six thousand-two-hundred-and-fifty dollars (\$6,250) to be placed in this fund.

Article #18. To see if the Town will vote to raise and appropriate the sum of \$66,491 for Waste Management which includes \$56,491 for the Chester Disposal Area, \$10,000 for the monitoring of the test pit sites in the Chester Disposal Area.

Article #19. To see if the Town will vote to raise and appropriate the sum of \$60,752 for the Town Health and Welfare.

Article #20. To see if the Town will vote to raise and appropriate the sum of \$41,298 for Culture and Recreation, which includes \$29,248 for the Chester Public Library, \$2,800 for the Historic District Commission, \$7,000 for Parks and Recreation Commission, \$2,000 for Chester Senior Citizens, and \$250 for Patriotic Purposes.

Article #21. To see if the Town will vote to authorize the Selectmen to sell surplus Town equipment at public auction by sealed bids.

Article #22. To see if the Town will authorize the Selectmen to sell at public auction any real estate acquired by the Town at a Tax Collector's lien, provided, however, that instead the Selectmen may convey such real estate to the tax payer or their heirs and/or devisees at their discretion if they deem it advisable.

Article #23. To see if the Town will authorize the Selectmen to make application for, to receive, and to spend in the name of the Town, such advance grants-in-aid, or other funds for

Town purposes as may not hereafter be forthcoming from Federal, State, Local, or Private agencies that would be of benefit to the Town.

Article #24. To see if the Town will vote to authorize the Selectmen to allow a discount of 1% on all property taxes paid within 10 days after mailing of property tax bills.

Article #25. To adopt the sense of the meeting resolution: The Board of Selectmen is directed to investigate the feasibility of a composting plant in Chester.

Article #26. To transact any other business that may legally come before the Town.

Given our hands and seal, this eighth day of April in the year of our Lord, Nineteen Hundred and Ninety-One.

**The Chester Board of Selectmen
Chester, New Hampshire**

**Denis G. Maloney, Chairman
Gene P. Charron
Paul J. Kretschmer**

Board of Selectmen
Town of Chester
Chester, New Hampshire 03036

We have audited the general purpose financial statements of the Town of Chester for the year ended June 30, 1990, and have issued our report thereon dated August 21, 1990.

We conducted our audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Chester for the year ended June 30, 1990, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Chester is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objective of an internal control structure is to provide management with a reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions, or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories:

Cycles of the Entities' Activity

Revenue/Receipts

Purchases/Disbursements

Accounting Applications

Billings

Receivables

Cash Receipts

Cash Disbursements

Payroll

Financial Statement Captions

Cash and Cash Equivalents

Receivables

Management Letter: Town of Chester

As of June 30, 1990

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

We noted certain matters involving the internal control structure and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the entity's ability to record, process, summarize, and report financial data consistent with the assertions of management in the general purpose financial statements.

Tax Collector/Town Clerk:

Presently the Tax Collector/Town Clerk maintains separate checking accounts. At least once a week, a check is transferred to the Town General Fund.

It is recommended that both checking accounts be closed out, and the Tax Collector/Town Clerk deposit directly into the Town General Fund. This would allow the Treasurer to invest the funds sooner, increase the availability of cash flow, and improve the potential for higher investment income. This comment was made in the prior years' reports.

Revaluation of Land and Buildings:

During 1989, the Town's valuation of property was only 37% of the current fair market value. This presents a burden to the Appraiser and Selectmen in trying to arrive at proper land and building valuations of new homeowners, or sale of agricultural land. It is recommended that the Selectmen recognize the need to have all property assessed at 100% of current valuation. This may be accomplished by having a complete reassessment done by a qualified appraiser.

Property and Equipment:

The Town does not maintain records of general fixed assets such as property and equipment with a life expectancy exceeding one year. In addition, equipment should be identified by numbered tags or other means of identification. The recording of fixed assets would fulfill the need to provide the physical dollar value control, and establish accountability for general government capital expenditures over the year.

Cash on Deposit:

At year end, the General Fund had a cash balance of approximately \$1,037,000. This amount was deposited to only one financial institution.

It is recommended that the Selectmen consider where the funds have been deposited and whether some of the funds should be transferred to another bank. Both the Federal Deposit Insurance Corporation (FDIC) and Federal Savings and Loan Insurance Corporation (FSLIC) only insure funds up to \$100,000.

Trust Funds:

The trustee of trust funds had a cash balance of approximately \$967,000. This amount was deposited in five banks. However, \$925,000 of this amount represents principal balances which are non-expendable.

The Trustees should consider pooling the various savings accounts and investing a lump sum in bank savings and investing in Government bonds.

Now Checking Account:

During the past year, the treasurer for the General Fund deposited funds and paid invoices from a non-interest-bearing checking account.

Pursuant to RSA 41:29, the treasurer with approval from the Selectmen may change to an interest-bearing NOW checking account. This would increase the Town's investment income.

With the recording of fixed assets, the related depreciation could be determined on an annual basis for the purpose of measuring total cost of governmental services and evaluating the efficiency of programs. This comment was made in the prior years' reports.

A material weakness is a reportable condition in which the design or operation of one or more of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be reportable conditions and accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above. However, we believe none of the reportable conditions described above is a material weakness.

We also noted other matters involving the internal control structure and its operation that we have reported to the management of the Town of Chester in a separate letter dated September 14, 1990.

This report is intended for management and the State of New Hampshire, Department of Revenue Administration. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Ruth Ray Library

1990 Report of the Librarians and Trustees

1990 was another busy and exciting year at your library.

In July, we made the tenth and final payment on the building loan from the Ruth Ray trust funds. This completes her gift of the library building to the town.

The interest from all the trust funds will continue to provide the books, building and needed equipment to keep your library one of the best in the state for its size.

Interest from trust funds pay for about 50% of the total library expenditures. Town appropriation funds pay for only the operating expenses such as heat, light, wages, etc.

We are indeed fortunate to have had such foresighted and generous residents establish these funds for our use, particularly in these bad economic times.

Two computers have been purchased from trust funds, installed and are operating. One is for the librarians work and one is for the use of all our patrons.

By the time you read this, the computer Catalog and Circulation system will be in full operation. This is important for three reasons:

1. It reduces the routine work of the librarians so that they can spend more time helping you find the materials that you want.
2. It provides a powerful and speedy way to electronically search the Ruth Ray Library catalog by author, title or subject to find the materials you want.
3. The librarians can also search the catalog of the entire NH State Library System with over a million books and other materials which are available to you via inter-library loan.

In addition, anyone using the patron's computer has access to our catalog via the same electronic search capability that the librarians use.

The patron's computer also has on-line six powerful CD-ROM references for your use. These include:

1. Compton's MultiMedia Encyclopedia
2. Grolier's American Academic Encyclopedia
3. MicroSoft Bookshelf Reference Library
4. Library of the Future (400 Great Books)
5. ToolWorks Reference Library
6. World Atlas

These are important new tools. For example, the Compton's CD-ROM disk contains the entire 26 volumes of the encyclopedia and can be searched for information in seconds, electronically. This information then can be stored in an electronic note pad and printed out for you to take home.

In these references are information for both children and adults personal, school or business use. They are easy to learn to use and the librarians are trained to show you how to use them. Come in, try it yourself and have fun!

Other major uses of trust funds include the purchase of a 66 volume set of Great Books by the worlds most respected authors and the painting of the outside of the building.

Another major effort this year was the weeding of our collection and the addition of 1395 new books (including about 1000 gift books) and 35 new videos. We currently have over 8300 books, periodicals and videos which are enjoyed by over 1700 patrons from 670 households in Chester.

If you haven't visited the library lately, please come in and see all the new improvements. If you have any suggestion on how we can be of more service, please let the librarians and/or the trustees know.

Respectfully submitted,
Ralph Ewbank, Librarian/Director
Judy Balk, Librarian

Representative's Report

Hard times continue to be with us. At both state and county levels I have supported "economy in the use of public funds". Needless to state, my pinchpenny voting has resulted in complaints from activities which provide citizen services, but belt-tightening has to be the order, as fairly as possible, if we are to live within our reduced incomes.

At no expense to the Town, I secured 6 "Chester Recycles" signs, one sign has been placed on each of the 5 state highways entering Chester, and one has been placed at the entrance of the Disposal Area.

One of the highlights of the year had to be a smashing victory over the Concord bureaucracy; after 3 months of letter writing, phone calls and on-site visits by out of town experts, the bureaucracy finally yielded and agreed that a Chester property owner did not in fact have a dam on his property, and he therefore would not have to pay a \$20.00 annual "dam inspection fee". That was a great day for the property owner, and for myself. With guidance from the Chester Saddlelites Club, I sponsored legislation to provide safety for all persons who ride or drive horses, ponies, etc. on New Hampshire highways. This is similar to the statute which provides safety to bicycle riders. Saddlelite club leaders and members testified in support of House Bill 158, before the House Committee on Transportation; the bill has since been passed by the entire House, and the outlook for approval by the Senate is bright.

Extra-curricular activities were varied and most rewarding; talking to the 3rd grade of the Chester School at the North Chester cemetery, about the history of the cemetery, and the value of their volunteer clean-up project at the cemetery. A Memorial Day "flag placing and geranium planting" ceremony is planned for the 1991 observation of Memorial Day at the mini-cemetery. It was a pleasure to meet and escort a new 4th grade class into the "corner office" at the State House in Concord, to show the youngsters where the Governor worked. Again, I served as an instructor at the American legion "Boys State" at St. Anselm College, and it was rewarding to serve as a judge at the Rockingham County 4-H Crafts Exhibit at the Deerfield Fair. In July 1990, I attended the "Moving Wall" display in Concord, and I placed a flower at the base of the wall, beneath the name of each of the 2 men of Chester who were Viet Nam casualties. The Governor appointed me to membership on a committee to determine the most appropriate use of the funds raised by the "Welcome Back" telethon on March 21st.

HAPPENINGS OF 20 YEARS AGO!

The forepage essay of the 1970 Town Report "What America Means to Me" is most apropos at this time, as it includes the words: "America isn't perfect, but I'd rather live here than anyplace in the world." Written by Chester eighth grade student Brett St. Clair; Brett's parents, Walt and Sally St. Clair continue to reside in Chester and Brett continues to live in New Hampshire.

The 250th Anniversary Committee is hard at work raising funds for the observation on the 25th-26th and 27th of August, 1972. Among the fund raisers is the sale of paper and cardboard collected at the Town Dump (now the Disposal Area).

The Chester Police Department budget for 1971 includes funds to pay all officers at the rate of \$2.00 per hour and 12¢ per mile for the use of their private vehicles. The police budget was at an all time high of \$4,000, but it was approved by the town meeting.

It is noted, with extreme satisfaction, that Mrs. Brenda Phelan taught the 2nd grade in 1970, and that she continues today to guide the children of the second grade.

Respectfully Submitted,
Richardson D. Benton, Representative

Chester Budget Advisory Committee Report

We have reviewed the proposed budget for the fiscal year July 1, 1991 to June 30, 1992. The selectmen have proposed a very conservative budget for the next year. Revenue that the town collects from taxpayers is down 17% over last year and they are not sure how many cuts the state will be making in other revenues.

The Budget committee recommends that the budget should be passed as it is presented to you in the town warrant.

Respectfully Submitted,
Chester Budget Advisory Committee

Report of the Southern New Hampshire Planning Commission

All dues-paying members of the Southern New Hampshire Planning Commission are offered a wide range of services, resources and technical assistance by a professional planning staff who, from time-to-time, are assisted by specialized consultants on an as-needed basis. Under the direction of your representatives, the staff develops and carries out planning programs that require a regional perspective, as well as those which pertain more directly to your community.

Local planning assistance requests are generally received from your Planning Board and/or the Board of Selectmen. With the concurrence of the Commission, certain general studies are conducted, notifications made and training workshops held that are considered essential for all member municipalities.

Services that were performed for the Town of Chester during the past year are as follows:

1. Provided testimonies, some in support and some in opposition, to the House and Senate committees of the 1990 Legislative Session on a few bills which pertain to planning and zoning. SB 337; SB 358; HB 1121; HB 1119; and HB 1375 dealing with impact fees deserve a special mention.
2. Co-sponsored the Municipal Law Lecture meetings. These meetings were attended by Chester officials.
3. Conducted a six-hour training workshop for the planning board members. The Chester Planning and Zoning boards were invited to that workshop.
4. Using the GIS ARC/INFO, prepared a computerized map for the town showing the developmental constraints. The Planning Board has been provided with a map, and the soils data for the town has been stored in the electronic files of the Commission.

Chester's Representatives to the Commission are:

Mr. Albert W. Hamel
Mr. Raymond Anderson

Executive Committee Member: Mr. Albert W. Hamel

Planning Board Report

The 1990 Fiscal Year had a great deal of activity before the Planning Board which resulted in 75 new building lots. In addition, a minor lot line adjustment application, as well as two site plans, were reviewed and approved.

During the past year, the Planning Board continued it's normal subdivision review process, as well as continued work on the Master Plan, the Capital Improvements Program, Site Plan Review and Excavation Regulations, the sign ordinance, etc.

The Board recently approved and adopted the Capital Improvements Program which will, hopefully, provide guidelines for the town with respect to long term needs and goals through fiscal responsibility. The plan was prepared with the help of RKG Associates, Inc. of Durham, NH and many hours of the Board Members' time.

As all of us are well aware, the slow economy has not generated a tremendous amount of building activity but it should be kept in mind that approximately 400 lots of record (approved building lots) exist in Chester. Based on this fact, the Board will be setting up several sub committees this year to review and update our regulations and Plans.

This year, Al Hamel was nominated to represent Chester to the Southern New Hampshire Planning Commission. We wish him success and hope for a close working relationship.

As everyone is aware, the town suffered a great loss with the untimely death of Angelo Lagana who was Chairman of the Planning Board as well as Town Moderator. Through his leadership, our Board was able to accomplish many of the tasks we set forth to do and developed a plan for the future. Our heartfelt sympathies are extended to his family.

Respectfully submitted,

Scott Rice, Acting Chairman

Report of the Zoning Board of Adjustment

The Zoning Board of Adjustment has continued during the past year to provide the residents of Chester with the means of addressing appeals and administering special provisions in the Zoning Ordinance dealing with variances, special exceptions, and administrative decisions.

Sometimes praised, sometimes criticized, we have continued to perform our principal role of hearing appeals and exercising our best judgement, while taking into account the best interests of the Town of Chester and the needs of the individual.

The Zoning Board has worked harmoniously with the Planning Board this year on certain issues to better serve the needs of the people of Chester, while maintaining our posture as independent entities within the Town Zoning process.

We feel a deep loss in the passing of Planning Board Chairman, Angelo Lagana. We look forward to a new year of cooperation and congeniality between the boards. Angelo was a good friend to all of us and his style of leadership will be a model for the future.

Arnold Newman resigned this year as Board Member. I would like to take this opportunity to express my appreciation for his service.

I would personally like to thank the following Board Members for their support and the unselfish contribution of their valuable time to the service of the people of Chester;

Nick Mathios
Dave Hill

Bob Buelte
Scott Rice (PB Rep.)

At this I would like to extend a special thank you to our Administrative Assistant, Ann Parnell for her invaluable assistance in the day to day operation of the Boards.

Respectfully submitted,
Billie Maloney
Chairperson, Zoning Board

Highway Department Report

Winter Money:

Monies used for sand, gravel, salt, raking, grading and sanding, salting and plowing of roads.

Summer Money:

Monies used for hot top, cold mix, culverts, sand and gravel.

Road mix put on Candia, Lane, Fremong, Old Sandown, Towle. All roads raked and graded. 2/10 mile Lane Road rebuilt, Warfield Road was fixed. Shoulder work on Old Sandown, Ledge Road.

Gravel put on Lane, Town Farm, Ledge, Old Sandown, Wells Village, Stockmen Hill, Smith, Birch, Shattagee, Rod & Gun, Reed, Shepard, Hanson and Halls Village.

I would like to thank all who worked and supported the Highway Department.

Chester Highway Safety Committee

The Chester Highway Safety Committee meets on the second Monday of the month to discuss ways to increase highway safety.

In the past year we have encouraged the Recreation Committee to increase the off road parking at the ball field, as this was done, the State of New Hampshire Highway Department cooperated by placing "NO PARKING" signs along Route 102 at the entrance to the parking area.

Members have also participated in the school bus evacuation drills and have attended the regional conference of highway safety in Exeter.

Building Inspector's Report

Even with the slowdown in the economy 1989/1990 was a productive year. A total of nineteen new home permits were issued along with sixty-nine general building permits.

Total revenue generated from building permits issued was twelve thousand thirty four dollars and eleven cents.

Total expenditures amounted to fourteen thousand nine hundred eighty four dollars and seventy one cents.

The following is a comprehensive list of permits issued from July 1, 1989 to June 30, 1990.

General Permits Issued

1989	1990	
7	2	Barns
9	5	Decks
0	0	Dormers
6	4	Electric Upgrades
6	3	Family Rooms
0	1	Green Houses
7	5	Garage/Breezeway
5	4	Heating System Conversion
2	3	Home Occupation Permits
9	7	Interior Rennovations
2	2	Masonry Chimneys
1	1	Manufactured Housing
6	4	Miscellaneous
0	1	Permit Extensions
2	3	Porches
0	0	Razed Buildings
2	3	Second Floor Additions
4	12	Septic System Replacements
0	3	Storage Shed
5	3	Swimming Pools
1	1	Total Structure Rennovations
0	0	Signs
1	2	Solar Rooms

New Homes

1. Lewis Builders 13-34-32
2. R. Varney 631
3. C&S Realty 2-19

Recreation Commission Report

Maintaining and improving the recreational facilities of the town is the primary responsibility of the Recreation Commission. To a lesser degree, the Commission also organizes and oversees recreational activities for the children and adults of the community. This latter task involves coordinating activities at the Chester School Multipurpose Room on weeknights and occasional weekends. The children of Chester have the advantage of being able to participate in programs sponsored by the Derry Recreation Department (youth basketball) and the Derry Soccer Club. (Baseball is the only youth activity offered in Chester.) Approximately 100 Chester kids participate in these programs. We have always viewed this arrangement with Derry as a two-way street and this year for the first time we have been able to begin paying them back for their generosity. On two consecutive Saturdays, the Derry Recreation basketball program used our school gym for their program. In April, the Derry Basketball tournament was held on two consecutive weekends at the Chester School. Teams from the Derry league have also been given practice time at the gym whenever feasible. The Derry Soccer Club used our athletic fields for a whole Saturday last October and their teams are also allotted practice time. The scheduling and details are carried out by the Chester Recreation Commission.

Improvements to the town ballfields this year included re-loaming of certain areas of the soccer field, finishing the work begun on the baseball diamonds, and the addition of a new parking area on the adjacent Mossman property. The new parking lot should alleviate some of the on-street parking problem which was viewed as potentially hazardous by the town safety committee and the police department.

Our goals for 1991 include the following:

1. Construction of an outdoor basketball court. This court will be located at the eastern corner of the old parking lot and will run parallel to the soccer field.
2. Utilization of the Mossman property for recreation purposes. Plans include cross-country running/exercise trails and a small playground next to the soccer field. Both of these projects are being undertaken by local Boy Scouts as their Eagle Scout projects, but we will be involved in planning and construction.
3. Continuing improvement to the fields. Clearing brush from the field perimeters, installing a fence along the first base side of the big diamond, and enlarging the 90-ft. diamond backstop are projects in the works for '91.

As always, we continue to look to the town for guidance and suggestions.

Chester Recreation Commission Members

Greg Lowell
Rob Dentel

Lucy Payson
Bill Burke

Wil McHule

Chester Police Department

Members of the Chester Police Department are proud to have been of service to the community during the past year.

All officers are certified with the State of New Hampshire. Officers attend mandatory training as well as selected training in other areas of Law Enforcement.

Citizen involvement continues to be high. It is only with your continued participation that we are able to provide this service.

Fire Department Report

In February we received our new tanker. This apparatus adds to our capabilities and safety of our men. We thank you very much for supporting us in our efforts to obtain this truck.

In order for us to plan for protection of our town's people and property we are asking that you vote for a capital reserve fund to be renewed and maintained for purchase of fire and rescue equipment. This practice has helped us to ease the burden when making a major purchase.

We must continue to work toward a new Safety Complex. The need for one is presently obvious to all who take the time to evaluate the facilities we have now. As the town grows and the need for services increase, the municipal programs must not fall behind. With your support, we will be better equipped when you call.

We are proud of our members for their participation and accomplishments in the completion of their training. As a result, the members are better qualified to meet and mitigate the situations they may face.

The following is a list of the present volunteers in the department:

Geoffery Barnett	Raymond Dolloff, Jr.	Jason Pinault
William Boynton	Robert Dolloff	Darrell Quinn
John Bragdon	Michael Finney	Lindsey Rice
Steve Bragdon	Brian Folsom	Scott Rice
Jack Cadieux	Martin Gesel	Kelly Riddell
Steve Child	Joe Gould	John Rossetti
Lori Child	Kenneth Leclair	Scott St. Clair
Joseph Castricone	Dean Leighton	Marc St. Hillaire
Frank Camillieri	Bruce McLaughlin	Kevin Scott
Colin Costine	Gerald Menard	Dennis Strandell
John Colman	Michael Oleson	Stephen Tunberg
Alfred Delorey	John Pepper	Steven Wilson
Arthur Dolloff	George Pinault	

Fire prevention continues to demand our attention. We are proud of the Chester school children who share their thoughts and ideas of fire prevention through the Bob Child Memorial Poster and Essay contest held during Fire Prevention Week in October of each year.

Our emergency services rely on house numbers when responding to your call for help. The numbering committee did a good job setting up the system and now it is the responsibility of the homeowner to maintain them and keep them clearly visible. Remember, if we can't find you; we can't help you. For your family's health and safety, please maintain the number and post where it was originally placed. Replacement posts and numbers can be obtained through the Selectmen's Office.

As Chief of the Department, I again wish to thank our members for their continued dedication, comradarie, and friendship. We thank the townspeople for their support and understanding of the problems with which we are challenged.

Respectfully submitted,
Raymond "Red" Dolloff
Fire Chief

CPR Report

This year's CPR class held at the Chester Elementary School marks its 16th year.

The 1990 members of the Eighth Grade Class received certification in the skill of adult Cardiopulmonary Resuscitation.

At this time, we extend our thanks to the Chester PTA, the Chester Firefighter's Association, Principal Norm Dugas and staff for their continued support and cooperation toward the goals of this program. Recognition is given to the students themselves who completed the course in this life saving skill. The community of Chester proudly acknowledges their dedication and accomplishment.

Members of the School CPR Instruction Team include: Pat Carlise, Barbara Dolloff, Lucy Payson, and Barbee Sullivan.

Respectfully submitted,
Barbara Dolloff

Village Cemeteries Report

The Trustees of the Village Cemeteries wish to sincerely thank everyone who has worked during the past year to maintain the areas under our jurisdiction.

We are continuing our efforts to keep the property in excellent condition which, this year, will include some tree work at the center of town.

All residents of Chester are invited to offer any comments or suggestions relative to the Village Cemeteries.

Respectfully,

Linda Witherall

Ann C. Parnell, Clerk

Truman Britton

Conservation Commission Report

With building starts down to a minimum, the Chester Conservation Commission has had very few dredge and fill permits to act on this year.

We were able to obtain a copy of the recently surveyed lands on either side of the Town Forest which gives us clear boundries of our Forest. I have spent many hours this winter walking this area, located off Lane Road on the Old Norton Road, recording the animal and bird populations. It is my hope that we will be able to mark the area with signs, so that everyone may enjoy this unspoiled area.

Chester Historic District Commission Report

The Historic District Commission has spent the past year putting the finishing touches on a proposal to be reviewed by the townspeople. This proposal is based upon data compiled from the questionnaires and input from concerned citizens at our monthly meetings.

The Commission plans to hold special meetings giving the townspeople the opportunity to review and comment on the proposal.

The Historic District Commission meets at the Town Hall on the third Wednesday of each month at 7:30 p.m. The meetings are open to the public and you are invited to attend and bring your thoughts and ideas to share with the Commission.

The Historic District Commission:

John A. Rossetti, Chairman

Denis Maloney

Louise Nutt

Anya Lipnick

Ann Powers

Chester Historic Society

The Chester Historic Society continues an active role recording significant events and adding to our collection of artifacts. A printing press donated by Carol Eustis Kimball is our latest acquisition. Lois Hazelton donated two booklets that she compiled. One was Historic Houses in Chester. This information was taken from articles printed when the town had its 200th celebration. The second contained The History of the Boston Post Cane. These are available for you in the library.

Members have worked to put the rooms over the Post Office in order. These were designated for our use by the Selectmen. We hope to have displays set up in the future.

Our main project remains an updated history of our town. Dick Holmes reports regularly on his progress and we feel he will come up with an interesting and informative book. We look for your continued support as we have fund raisers for this project. We currently have \$2,094.93 in the fund.

Respectfully submitted,
Gladys Nicoll, Secretary
